- * Are you caring for an infant or toddler during the day?
- * Would you like someone else to plan some fun?
- * Would you enjoy being with other adults who are doing the same?
- * Does the child you are caring for like music and other children?

The Reverend Kathryn King, Rector of St. Alban's, leads music on guitar and singing with instruments and props. Reverend Kathryn is joined by other certified preschool staff in leading age appropriate activities so that you may participate fully with your child and meet other adults. **This program is FREE!**
