**'SOUPER' BOWL SUNDAY IS COMING!
SOUP AND CHANGE COLLECTION
EACH SUNDAY BETWEEN NOW AND FEBRUARY 3**

We will be supporting the Center for Food Action's annual event by collecting cans of soup and change in soup cans! Please support this vital area resource which provides food staples and household supplies to our neighbors who need assistance with these essential items. Food scarcity takes its biggest toll on children and the elderly. Make a difference by joining your St. Alban's family in our ongoing support of The Center for Food Action.

Interfaith Conversation About the Environment

Sunday, Jan. 20 | 5 PM | Barnert Temple (Franklin Lakes)

Presenter:
Dr. Alan Blumberg

Co-Founder &
Chief Scientist of
Hydroscience Risk
Analysis at
Jupiter Intelligence

Join our local faith-based communities in conversation and hands-on activities as part of our annual Martin Luther King Jr. Weekend observance. Since, *Tu B'Shvat*, the Birthday of the Trees, falls at this same time, we will organize our time together around environmental justice.

Barnert's own, Dr. Alan Blumberg, Co-Founder & Chief Scientist of Hydroscience Risk Analysis at Jupiter Intelligence, will offer a brief presentation on climate change. This will lead us to small group conversations to meet our neighbors and talk about local action steps to positively impact the environment. Topics will include bats, bees, soil, recycling and more!

Who Should Come? EVERYONE! Children ages 3-10 (5th grade) are invited to a special program. 6th grade and up will join the adults.

Community Potluck Supper

Please bring a dish that serves 8-10 people. Food should be "kosher style" (no pork or shellfish and no mixing of meat and dairy in the same dish).

RSVP by Friday, Jan. 18.

To RSVP, visit <http://bit.ly/interfaithclimatechange>.

Sponsored by the OFLIC (Oakland Franklin Lakes Interfaith Council)

FRIDAY, February 1st ~ 6:00 - 8:30/9:00 PM at the Rectory ~ Kindergarten and up

Kathryn will host PNO in the Youth Center and needs ONE ADDITIONAL ADULT to volunteer each night. The evening will include simple, nut-free supper that the children will help prepare. The evening will also include a thematic activity related to an outreach project and a settle down movie until parents arrive.

Drop off will begin at 6:00pm with pickup between 8:30-9:00pm (If you have a movie and need a little extra time, arrangements can be made).

Kids from kindergarten and up are welcome! We will be able to extend to younger children if sufficient volunteers are available. Details and themes for each night will follow. So mark your calendar and stayed tuned! For planning purposes, please sign up in the narthex or rsvp to the office by *Wednesday, Jan. 30th*.

We are asking if each family would please take a moment and email a recent family picture to the office so that we can update our photo boards. We would greatly appreciate your help with this.

If you haven't already done so, be sure to find us on Facebook.....St. Alban's Episcopal Church....and please like and share our posts with family and friends.
